

Citrus Thinner

Description

A natural thinner with a pleasant citrus smell, The Natural Paint Company Thinner is an excellent solvent for natural resin and oil-based paints and varnishes. Also suitable for cleaning oily and fatty surfaces and tools. Free of synthetic solvents: toluene, benzene naphthenes and aromatic compounds.

Uses

- Thinning of natural varnish, stains and oils
- Can be used to de-grease surfaces before oiling, waxing, varnishing, painting etc.
- Cleaning brushes, rollers, tools and for removing paint spots.
- Do not use for water-based products.

Container Sizes

- 500mls, 1 Litre, 2 Litre, 4 Litre.

Ingredients

Citrus peel oil, aliphatic hydrocarbons.

Applying the Product

1. When using to thin products add in small quantities.
2. Ventilate well when working with the product and while it is drying.

Safety Precautions

Natural ingredients can still be harmful to users and the environment if misused, or if accidents occur, so please carefully observe the following:

- Warning: Keep out of reach of children.
- Flammable liquid and vapour: Keep away from open flames. No smoking.
- Keep container tightly closed.
- This material may be harmful if inhaled or swallowed, do not induce vomiting. May cause skin or eye irritation.
- Avoid breathing vapours – use with adequate ventilation.
- Wear eye protection. If in eyes: flush with water if eye irritation persists, get medical advice.
- Use suitable protective clothing. If on skin: wash with soap and water. If skin irritation or rash occurs get medical advice.

- Call a POISON CENTRE (0800 764-766) or doctor if you feel unwell and have product container or label at hand.
- UN No. 1263 Class 3 Packaging Group III
- **Keep work materials soaked in Thinner, such as rags, sponges, sanding dust and contaminated clothing in an airtight container, or rinse in water and spread out to dry on a non-combustible surface – danger of spontaneous combustion.**

Storage

- Keep container tightly closed. Store in cool/well ventilated place.

Disposal

- Dispose of empty container safely and according to council regulations.
- Recycle empty containers where possible.
